AGREED ORDER OF CONTINUANCE

This cause having come before the Court on the agreed motions of the parties to continue this matter, and the Court having considered said motions, finds that for the following reasons said motions are well taken and are hereby granted, and that the period of delay shall be excluded in computing the time within which the trial of this matter commence in accordance with the Speedy Trial Act, 18 U.S.C. §3161.

Having duly considered the factors articulated in 18 U.S.C. §3161 to determine the appropriateness of a continuance, the Court finds that pursuant to 18 U.S.C. §3161(h)(7)(B)(iv) the failure to grant such a continuance would deny counsel for the defendants or the attorney for the Government the reasonable time necessary for effective preparation, taking into account the exercise of due diligence, and that the ends of justice outweigh the best interests of the public and the defendants in a speedy trial in this cause and are best served by granting the requested continuance.

IT IS THEREFORE ORDERED that the trial of this case is continued until the term of

court beginning **August 5, 2014**, and that the period of delay shall be excluded in computing the time within which the trial of this matter commence in accordance with the Speedy Trial Act, 18 U.S.C. §3161; that the non-dispositive motion deadline shall be continued until **July 7, 2014**; that the dispositive motion deadline shall be continued until **July 21, 2014**, and that the pretrial conference shall be set at 9 a.m., **July 24, 2014**.

SO ORDERED this the 23rd day of April, 2014.
